Judging Session Flowchart for Teams

Your team should be demonstrating Core Values in everything you do. The judges are excited to see how you show TEAMWORK, DISCOVERY, INCLUSION, INNOVATION, IMPACT and FUN as you present your Innovation Project and Robot Design work. This is your time to shine, so enjoy your session with the judges. Tell them everything about your work and remember to take everything with you when you leave.

Coaches shall distribute the meeting link and additional instructions to all team members. **Team members MUST know their team number** if they are joining separate from the coach. If they do not, they will not be permitted to enter the judging breakout room.

Only the registered **Coaches** and **youth team members** shall be allowed to join the virtual meetings. Parents, guardians, volunteers, and mentors **not registered as the coach or assistant coach** to the team are **NOT** allowed.

The **Coach** or **Assistant Coach** (as registered with FIRST) must be present at **ALL** virtual meetings to verify that all attendees are their team members.

Judging shall begin promptly at the time listed on the event schedule. Please, make sure all of the team members join early, 5-10 minutes before the judging time on the event schedule.

RECORDING OF ANY KIND IS STRICTLY FORBIDDEN!
